

St Patrick's Day Mini Cruise to Spain

Fancy an early break to celebrate St. Patrick's day with a three night cruise to Spain on board the P&O vessel Pride of Bilbao. This is an ideal way to forget those winter blues and wake up to spring with a relaxing few days on board whilst listening to various different types of music from the Emerald Isle, from Traditional Ballads to Ceilidh. On arrival in Spain there will be various excursions available, these can be booked individually on board ship. Bilbao is the capital of Vizcaya Province, consists of an old section, lying on the east bank of the El Nervión River and a modern section, dating from the late 19th century. Other Excursions include a visit to the World Famous Guggenheim Museum or a Taste of a Typical Spanish Fishing Village.
