Thursford Christmas Spectacular

Thursford Museum in the tranquil setting of a small Norfolk village takes you back to a traditional old-fashioned fairground where majestic engines sit next to carousel rides. The collection of mechanical organs, from the smaller street organ to the enormous dance organs and fairground organs all play jaunty tunes to both entertain and demonstrate the different styles and sounds of each one. November and December sees the transformation of the exhibition hall into a theatre to house the largest Christmas Spectacular Show in England. The ultimate Christmas Musical Experience is simply one of the most exciting Christmas Spectacular shows ever. This popular show is a blend of exciting Christmas entertainment, with Christmas songs, carols, dazzling dancers, beautiful costumes, outstanding music and singing from a cast of over one hundred.
