

## New Year in Newquay

Well received in 2007 we are pleased to repeat this tour for 2008. Newquay has always been a holiday destination at any time of year, so come with us as we celebrate the coming of the New Year in hospitable surroundings. The town occupies a fine cliff-top position with a small harbour and excellent sands, Cornwall's premier resort on the Atlantic Coast has grown from a fishing port to a lively town, but still retains its intimate atmosphere and beauty. Newquay boasts the finest coastline and beaches with seven miles of broad golden sands, steep cliffs and striking scenery. A view of the Gannel River from East Pentire, the Island, the Suspension Bridge and the harbour are some of the other attractions which make Newquay the perfect place for a holiday.
