

## Marvellous Mystery Tour

Our Marvellous Mystery Tours are going from strength to strength, so we are pleased to offer another date for this brochure. Why not join us on this fun concept with Elcock Holidays and escape for a few days at an excellent rate. No hassle driving, just pack a suitcase and we'll take off for a complete break. Not bothered where you go? Good, because you won't have a clue where you are going until you get there. Even the driver won't know until the morning of departure when he is handed his tour envelope. He will have five minutes to check his routes and then off you go. No one will know where you are (unless you decide to phone and tell them!) and for whatever reason you want to get away, you will be able to please yourself for five whole days! It should be noted that so far we have not repeated one of these Mystery tours once!

Go on, pick up the phone, this might be just the tonic you need!

### MYSTERY HOTELS ★★★

All Hotels used on this type of tour will be up to our normal standard, by not booking the accommodation until about 14 days before the holiday departs. This means that we can gain from the excellent reputation we have built up over the years with the hotel trade. Knowing that we will provide good numbers of clients, hoteliers are able to provide us with last minute accommodation at less than the normal price. Some Hotels Have Lifts and All Bedrooms have Private Facilities, Colour Television, Radio and Tea/Coffee Making Facilities.

## Cambridge and the Wash

Having trouble finding a single room? Why not join us on this unique tour on something that is still a new concept and fast becoming very popular. On this tour we only book Single Rooms in a Hotel, so there's no trouble if you are on your own (or if your partner snores!!). This is not a singles holiday so if you want to keep yourself to yourself and just enjoy the scenery that's fine. For this tour we have chosen the East Anglia area where we shall visit some of the most interesting towns full of character and history. One of the main ones is Cambridge, home to the famous University, with time to explore the town or maybe take a punt on the river Cam. This promises to be a satisfying way to take a break in late autumn.
